Dear Family Camper,

We have received your registration form, and we are delighted that your family is coming to the Family Camp this summer. **The balance is due one week before your camp session.** Family Camp weekend is for all ages and an excellent opportunity to tell and hear stories from each other.

You will enjoy time together swimming, horseback riding, campfire, stories, rest, nature, Bible study, great food, hiking, worship, crafts, and games.

Friday, you'll gather starting at 5:30 pm to play games and enjoy vespers around a fire with other families. (FYI, our dinner on Friday serves at 6:00 pm). Saturday starts with breakfast, morning watch (Bible Study), parent time & children's time, horse rides, and activities – and that's all before lunch! After lunch, the pool is open, and activities like hiking, games, and water activities are available. After dinner, you'll enjoy a time together at the campfire. The weekend will conclude with a worship service on Sunday morning.

How to get to Camp: Directions and a map are available on our website – Heartland Camp Directions.
