Dear Grandparent Camper,

Congratulations, we have received your registration form, and we are delighted that you and your grandchildren are coming to the Grandparent Camp this summer. The balance is due one week before your session. You can mail a check or call to process an electronic payment. We couldn't be more excited for this summer!

We look forward to the games, laughter, and engaging God at Camp with your family. Have a wonderful week, and we'll see you at Camp!

You will enjoy time together swimming, horseback riding, campfire, stories, rest, nature, Bible study, great food, hiking, worship, crafts, and games.

Saturday starts with registration at **9:00 AM**. The morning is packed with activities to acquaint you with the other families and get you and your grandkids laughing together.
