**Traveling Day Camp** exists to share the love of God with children of your community. **Together** we will teach them about God, tell them they **belong** and invite them in to your church **community**.

We do this by bringing a seriously fun **Christ-centered** week to your church. The week is packed with activities, worship, Bible study and all led in part by Heartland's exceptional college staff.

#### WHY DO WE NEED YOU? BECAUSE YOU'RE YOU!

Junior counselors help add even more **energy** and fun to our week by **building relationships** with campers, participating in all the activities and serving alongside **everyone** involved.

- Heartland and Church counselors are on your team! Work together positively so that you can have a great week. Please respect and help enforce any camp rules.
- We need you! Please make sure you are showing up on time every day ready to serve our campers and learn new things yourself!
- You need to always make sure that you stick with the adult that is supervising you. They will make sure to always maintain a 2:1 ratio (either two adults to a camper/junior counselor or two campers/junior counselors to an adult) to keep everyone safe.
- If you ever need help, have a question or a great idea (!) please don't hesitate to talk with the counselors in your group, the Heartland PA (helps to direct camp) or your church coordinator (a person assigned by your church to help organize and run camp)
- HAVE SO MUCH FUN!!! Having joy while you serve is so important! You playing and being excited with campers can have an incredible impact on our program. We are so excited to spend a week with YOU!
